Tournament Score-Keeping:

For all of Richmond United Tournament Series events, it is required that the **winning team** return a correct score card for each game to the field Site Coordinator's tent (for tie games, the **home team** will be required to turn in the game score card. *Referees will provide the winning coach (or ome team for ties) a scorecard, which must be turned in to the Site Coordinator's Tent immediately following the game.*

I understand that if my team is the **winning team** (or **home team** for tie games) that a team official is required to retrieve from the referees and return the complete and correct game card to the Site Coordinator's Tent immediately following the game. This includes for all Group Play game, all Playoff Games (including Consolation, Semi-Finals, and Finals games).
